OUR PROGRAMS

Individual Support | Group Support | Parent Support
Family Fun Outings | Anticipatory Grief

Wonders & Worries is the only organization in the nation that uses Certified Child Life Specialists to provide free support to families dealing with parental illness and injury

Services are free of charge and offered in English or Spanish, virtually or in-person in the Greater Austin, Houston, and San Antonio areas

Since 2001, have served over **15,500 children and parents**

Registered Wonders & Worries Providers (RWWP) in over 30 states and Japan who are trained to deliver our curriculum

Use 6-session evidence-based Family Illness Education and Coping Curriculum with children and teens

WW2GO Apps for Parents and Professionals to give them the resources they need anytime, anywhere

Virtual Reality Cancer Center and Funeral Home tours (Hospital soon to come) help children learn about unfamiliar places and experiences
